## MESSAGE FROM OUR PRESIDENT—Raymond Davies

We are pleased to continually read social commentary regarding the outlook of the current generation of young adults to become involved with groups outside of their places of worship and places of employment. The pendulum of interest and awareness is swinging again to civic responsibility. The generation that went through the Second World War era had that civic responsible philosophy, but it almost became a side issue with the flower child generation and came close to disappearing with the boomers. But it is resurging, and we need to tap this resource. Our own foundation need is to fill our Board. We are running short of our intended number. We need to seek out the young adults who are CAV trained and looking for a place to donate their time and efforts for something they believe in. They need to become aware of us and our function.

Our by-laws specify that we are to elect successors at our October meeting. We need to let those whom we think would be beneficial to our group that we need them. We cannot wait until the end of the year. While we are becoming more closely associated with our beneficiaries as we begin to require CAV certification, there is no other service requirement. In fact, having members on the Board without direct connection to our beneficiaries would help to confirm that we are a "public charity". Trustee Nomination forms are available from our Secretary Sharron and are downloadable from our web site.

Oh, by the way, don't leave the flower child or boomer generation out of the picture. They have children and grand children who could benefit from our efforts, their involvement is equally beneficial to their feelings of society, and the benefit of their life experiences would be valuable to us.

Try to get every one you can to leave a mention of us in their will or trusts. Even if they haven't seen the need for their support in the past, try to get them to understand that they can be a part of the positive actions for future youth.

**The California Job's Daughters Foundation, Inc.** is a 501 [c][3] non-profit corporation established January 31, 1996 to provide financial support for the Job's Daughters of California. The objectives of the Foundation are to provide educational opportunities, leadership development of adults and youth, support of H.I.K.E., the Job's Daughters Philanthropic project and to promote the Order in California. All contributions to the Foundation are tax deductible to the full extent of the law. This allows us to solicit public support of charitable gifts for income tax purposes. We are able to solicit grants from businesses, inclusion in wills, life insurance, trusts and to be a beneficiary of an estate for tax purposes. We can reserve stocks and bonds, annuities or insurance, as well.

The Foundation operates independently from the Grand Guardian Council of California, (GGC) but financially assists the various activities of Job's Daughters in California through the GGC.

### **From the Desk of the Secretary's, Sharron Porter:**

This is a rewarding and interesting job. It does have some headaches but I enjoy doing it. Thank you to all the donors who we can not do without.

An acknowledgment is sent to the family, if we have a family member's address, of an "In Memory of" donation stating we received a donation in the deceased' name. When it is an "In Honor of" donation the Honoree receives a note with the reason for the honor. These notes never state the amount of your gift, just who it was received from.

Donations are accepted any time of the year for the General Fund, Annual Sponsor, Beatrice Atwood Leadership Training Fund, or Scholarships. You can see a list of the 2010 Scholarship winners elsewhere in the newsletter. Please specify where you would like the money to be placed.

All offices and members of the Foundation Board volunteer their time, expertise, and travel expenses. We hold four meetings a year in various parts of the California and may involve an over night stay. To me these trips are rewarding in several ways. First, to take care of Foundation business; second, I am able to enjoy the diversified scenery of the State, and I can see and visit with friends.

## GOOD NEWS AND THANK YOU'S

*The foundation receives many thank you notes from recipients of Foundation Scholarships, here is just one:*

Dear Mrs. Klotz

I thank you and the California Job's Daughters Foundation Scholarship Committee very much for awarding me the Fred Klotz Memorial Scholarship for \$1000. I am touched and honored to receive this scholarship in memory of Mr. Klotz. The scholarship will provide needed financial assistance toward my education this fall at the University of California, Davis. I am extremely grateful for the support Job's Daughters has given me toward my education as a Pre-med major with the goal of becoming a Hematologist/Oncologist. I am so thankful for my Masonic heritage, and plan to continue my involvement in both Job's Daughters and Eastern Star.

Sincerely yours

Kimberly Hower  
Bethel 300 Santa Rosa

## STILL A GOOD FUNDRAISER OLD INK CARTRIDGES

The California Job's Daughters Foundation is collecting and recycling ink cartridges. We will take all kinds of ink cartridges.

The ink cartridges are an easy way for everyone to help out and it doesn't cost you anything. Just load them up, bring them to Grand Council and drop them off at the California Job's Daughters Foundation table!!!

## THE BEAUTY OF eSCRIPT

eScrip is a program members have been using since the Foundations beginning. So far this year, around \$125 has been received. It is easy to use. You register any one or all of your existing grocery loyalty, debit and credit cards for use in the program. Participating merchants make contributions to your chosen group, based on purchases made by you, just by using the cards you have registered. To find out more and register. visit [www.eScrip.com](http://www.eScrip.com). It does not matter if you are shopping in the store or on the internet. For example, Barnes & Noble contributes 3.6% from an online purchase. The website lists participating merchants by area and category. Many times there are special promotions for a short time. When you go in to sign up you will need the group name as listed with them. It is **CA Job's Daughters Foundation, Inc.** or the group number which is **3342088**. We hope you will help through this fundraising program.

## Giving to the California Job's Daughters Foundation through the United Way

Please support the California Job's Daughters Foundation by giving through United Way at work. When filling out the paper work, be sure to include the **tax ID number 33-0692562**. If you check "No thank you necessary," we do not receive any information on your donation and cannot do any follow up, so please leave that box unmarked so that we can follow through on your donation. Also make sure to correctly state the name of the Foundation as: "California Job's Daughters Foundation", not Job's Daughters. Since Grand Council and Foundation use the same mailing address the check can be made out to the wrong organization and we would not know about it.

*This is a easy way to support the foundation and the great work that we do, please consider giving in this way.*

**Donate your vehicle to:  
Cars 4 Causes®**  
"The charity that  
gives to charity"®

The Foundation has voted to participate in a new fund raiser program called **CARS 4 CAUSES**. They are a charity dedicated to helping charities attain additional funds through a Vehicle Donation Program. This is a Partnership program. There is absolutely no obligation or liability to the Foundation. In addition to it benefitting the Foundation, the contributor receives an acknowledgment required for a vehicle contribution deduction.

### HOW THE PROGRAM WORKS:

**Step 1:** A donor contacts Cars 4 Causes by phoning 800-766-CARE (800-766-2273). The donor has the opportunity to designate a charity they would like to benefit from the proceeds of their donation.

**Step 2:** C4C picks up the vehicle at no cost to the donor – then get it ready for sale by completing minor repairs, and securing all DMV paperwork. We also have the vehicle smog-checked to be certain it meets state requirements.

**Step 3:** C4C advertises and sells vehicles to get the highest possible price. When the vehicle is sold C4C sends a check to the designated nonprofit organization.

**Step 4:** After the vehicle is sold C4C provides donors with a written acknowledgment Required for a vehicle contribution deduction for the selling price of the vehicle. Plus C4C sends an individualized personal thank you letter.

We will receive flyers and additional materials. The Foundations will receive 70% of the proceeds. CARS 4 CAUSES also has provided a page on the Foundation website [www.cajdfoundation.org](http://www.cajdfoundation.org). Check it out.
