Fall/Winter 2011

## MESSAGE FROM OUR PRESIDENT—Donna Thom

Congratulations to the Bethel Daughters who received Scholarships from the California Job's Daughters Foundation. The Foundation awarded four one year renewable scholarships and eight named scholarships this year. Watch the web site for 2012 scholarship details.

Just a reminder, to remember the California Job's Daughters Foundation. Without the support we receive from our family and friends the Foundation would not be able to award scholarships, support Leadership Training for daughters, council members, and deputies, or Miss California Job's Daughters. In addition, we support the California Job's Daughters annual Philanthropic project and the Supreme Philanthropic, H.I.K.E (Hearing Impaired Kids Endowment).

All contributions to the Foundation are tax deductible to the full extent of the law. This allows us to solicit public support of charitable gifts for income tax purposes. We are able to solicit grants from businesses, inclusion in wills, life insurance trusts, and be a beneficiary of an estate for tax purposes. Every little bit helps the Foundation to promote a positive future for our youth.

If you are interested in becoming an active part of the Foundation, Board of Trustees, please contact myself or Sharron Porter.(Secretary) The only requirement is a willingness to support the youth of Job's Daughters and be a Certified Adult Volunteer through Job's Daughters International.

Regards  
Donna

The *California Job's Daughters Foundation, Inc.* is a 501 [c][3] non-profit corporation established January 31, 1996 to provide financial support for the Job's Daughters of California. The objectives of the Foundation are to provide educational opportunities, leadership development of adults and youth, support of H.I.K.E., the Job's Daughters Philanthropic project and to promote the Order in California. All contributions to the Foundation are tax deductible to the full extent of the law. This allows us to solicit public support of charitable gifts for income tax purposes. We are able to solicit grants from businesses, inclusion in wills, life insurance, trusts and to be a beneficiary of an estate for tax purposes. We can reserve stocks and bonds, annuities or insurance, as well.

The Foundation operates independently from the Grand Guardian Council of California, (GGC) but financially assists the various activities of Job's Daughters in California through the GGC.

### *A LOOK BACK...*

It has been 15 years since the Foundation was founded. During that time we have had four Presidents, nine Vice Presidents, four Chief Financial Officers, and three Secretaries. Four of the founding members are still serving on the Board. These wonderful people guided and led to make the California Job's Daughters Foundation what it is today. Eighty-seven men and women have volunteered hours, driven miles, and given of their talents to help achieve this success. We appreciate your service.

In each of the first two years we gave one scholarship. This last June 12 scholarships worth a total of \$15,500 were awarded. We have been able to establish a 4-year renewable scholarship during this time. It is with your generous support that 175 ladies have been helped with their educational expenses. During our existence we have had donations through estates.

You who continue to be Annual Sponsors, contribute to the scholarship or leadership training, or donate to the general fund are the reason we are doing so well. We appreciate your loyalty and generous hearts. Whether you have been a one time or multiple donor, sent "In Honor of" or "In Memory" of a special person, each dollar given has made a difference in what we are able to do.

Sharron Porter, Secretary

## **SILENT AUCTION AT GRAND COUNCIL**

Please visit California Job's Daughters Foundation's 15th Annual Silent Auction at Grand Guardian Council this November in Visalia. There will be may holiday gifts and one of a kind items to bid on. ## Update on Vocational Scholarship Recipient

In 2009, for the first time, the Foundation was able to award its Vocational Scholarship to Mrs. Haley Ne'Chole Martin, (nee Ne'Chole Skinnell) Past Honored Queen of Bethel No 1, Dublin. She also received the Bob Tracy Vocational Scholarship from Grand Guardian Council. She put these scholarships to good use by attending Nursing School, graduating after two years of study.

Haley has spent the last two years taking care of her husband and raising her son as well as committing to her studies. These efforts paid off when she graduated on July 16, 2011, as the Valedictorian of her graduating class. Her speech was well received, having both humor and serious tones. When asked how she could deliver her speech without appearing nervous she said, "It was easy; this isn't the largest crowd I've spoken to. As a Job's Daughter, I learned confidence and how to speak in front of a large group."

Haley is now preparing for her State Boards as well as the birth of her second child on October 20, 2011, and this one is a JD2Bee! She is looking forward to getting into the working force and putting her talents to good use.

She is so grateful to the California Job's Daughters Foundation and Grand Guardian Council for awarding her these scholarships and helping her to reach her dream of becoming a nurse.

**Cars 4 Causes**<sup>®</sup>  
"The Clarity That Gives to Charities"<sup>™</sup>

Just a reminder that the Foundation is participating in a fund raiser program called **CARS 4 CAUSES**. They are a charity dedicated to helping charities attain additional funds through a Vehicle Donation Program. This is a Partnership program. There is absolutely no obligation or liability to the Foundation. In addition to it benefitting the Foundation, the contributor receives an acknowledgment required for a vehicle contribution deduction. The Foundation is registered as a *Preferred Charity*.

#### HOW THE PROGRAM WORKS:

**Step 1:** A donor contacts Cars 4 Causes by phoning 800-766-CARE (800-766-2273) or by accessing their website. The donor has the opportunity to designate a charity they would like to benefit from the proceeds of their donation.

**Step 2:** C4C picks up the vehicle at no cost to the donor – then get it ready for sale by completing minor repairs, and securing all DMV paperwork. We also have the vehicle smog-checked to be certain it meets state requirements.

**Step 3:** C4C advertises and sells vehicles to get the highest possible price. When the vehicle is sold C4C sends a check to the designated nonprofit organization.

**Step 4:** After the vehicle is sold C4C provides donors with a written acknowledgment Required for a vehicle contribution deduction for the selling price of the vehicle. Plus C4C sends an individualized personal thank you letter.

The Foundations will receive 70% of the proceeds. CARS 4 CAUSES also has provided information on the Foundation website [www.cajdfoundation.org](http://www.cajdfoundation.org). Their website information is on the Foundation website under the fund raising button but the address is below. It goes right to the donation page for the Foundation. Check it out.

#### **If you work for Apple.....**

The following is an excerpt from information presented to Apple employees last month by the new CEO Tim Cook:

*Starting September 15, when you give money to a non-profit 501(c)(3) organization, Apple will match your gift dollar-for-dollar, up to \$10,000 annually. This program will be for full-time employees in the US at first, and we'll expand it to other parts of the world over time.*

If you work for Apple, please look into this and use this as another avenue for donations to the California Job's Daughters Foundation, which is a 501(c)3 organization

If you work for another organization with a similar program, please let the editor of the BRICK BY BRICK know so the information can be printed in future publications.
