*California Job's Daughters Foundation
A 501(c)(3) Non-Profit Public Charity*

Volume 16, Issue 1

Spring/Summer 2011

MESSAGE FROM OUR PRESIDENT—Donna Thom

Thank you to the Board of Trustees for your confidence and electing me President at our Annual Foundation Meeting in January. Building for the Future of Job's Daughters is very near and dear to my heart. Without the skills, I learned as a Job's Daughters I know that I would not have been as successful in my career.

As we start a new year, just a reminder to remember the California Job's Daughters Foundation. Without the support we receive from our family and friends the Foundation would not be able to award scholarships, support Leadership Training for daughters, council members, and deputies, or Miss California Job's Daughters. In addition, we support the California Job's Daughters annual Philanthropic project and Supreme Philanthropic, H.I.K.E (Hearing Impaired Kids Endowment).

All contributions to the Foundation are tax deductible to the full extent of the law. This allows us to solicit public support of charitable gifts for income tax purposes. We are able to solicit grants from businesses, inclusion in wills, life insurance trusts, and be a beneficiary of an estate for tax purposes. Every little bit helps the Foundation to promote a positive future for our youth.

If you are interested in becoming an active part of the Foundation, Board of Trustees, please contact myself or Sharron Porter.(Secretary) The only requirement is a willingness to support the youth of Job's Daughters and be a Certified Adult Volunteer through Job's Daughters International

Regards, Donna

The *California Job's Daughters Foundation, Inc.* is a 501 [c][3] non-profit corporation established January 31, 1996 to provide financial support for the Job's Daughters of California. The objectives of the Foundation are to provide educational opportunities, leadership development of adults and youth, support of H.I.K.E., the Job's Daughters Philanthropic project and to promote the Order in California. All contributions to the Foundation are tax deductible to the full extent of the law. This allows us to solicit public support of charitable gifts for income tax purposes. We are able to solicit grants from businesses, inclusion in wills, life insurance, trusts and to be a beneficiary of an estate for tax purposes. We can reserve stocks and bonds, annuities or insurance, as well.

The Foundation operates independently from the Grand Guardian Council of California, (GGC) but financially assists the various activities of Job's Daughters in California through the GGC.

From the Desk of the Secretary:

The job of secretary certainly has its rewards. I enjoy all the notes sent in with donations especially those honoring someone or memorials that show the love for a departed one. You can certainly see the difference Job's Daughters has made in many lives because of the volunteers who give or gave so freely of themselves and their time, money, compassion, and knowledge.

If you know of someone who would benefit from our newsletter or would like to be removed from the mail list, please contact me either through the office, website, or at cajdfoundation@hotmail.com.

Happy Spring to all.
Sharron Porter

NEW FOUNDATION TRUSTEES NEEDED

The foundation is in need of new members. Several trustees had to step down before the end of their three year terms and the Foundation is looking for replacements who can finish out the terms of those members. Also, in October, the Board will be electing new members for three year terms. The Call for Nomination form is located on the website, www.cajdfoundation.org. Just click on the Trustee button and you will see a link to the form. To be considered, the nomination form must be received before the August 27 meeting in Tulare. Please consider submitting your name. There is much work to do and fresh ideas are always needed and welcomed. The current list of Trustees is on the last page of this newsletter and also on the website. Call a member and ask questions. Your help is needed.

CHECK OUT THE WEBSITE!!!

www.cajdfoundation.org is all you need to look up and read about what is happening with the Foundation. Lots of good information about all of the Fundraising projects. Please take a look, the website is very user friendly and should answer all of your questions about what is going on in YOUR Foundation. Check it out!!!

There are many ways you can support the California Job's Daughters Foundation. Can you name them??

DID YOU KNOW???

- ⇒ From 1996 through 2010, the Foundation has given out over \$150,000 in scholarships.
- ⇒ 43 Bethels have received one scholarship
- ⇒ 20 Bethels have received two scholarships
- ⇒ 9 Bethels have received three scholarships
- ⇒ 7 Bethels have received four scholarships
- ⇒ 2 Bethels have received six scholarships.
- ⇒ An annual sponsor costs \$25. Is your Bethel one??
- ⇒ The Bethels of 12 of the most recent Scholarship winners were not Annual Sponsors
- ⇒ The Foundations gives grants for leadership training for both adults and daughters.
- ⇒ The Foundation donates to HIKE and The Grand Guardian's philanthropic project each year.
- ⇒ \$15,500 is budgeted for 2011 for grants and donations.
- ⇒ Over \$41,000 is budgeted for 2011 for scholarships.

So, please talk to your Bethels, Bethel Councils and to parents to see if they are willing and able to make a donation to the Foundation, either as an annual sponsor or as a direct donations to a specific scholarship. All donations are greatly appreciated and will insure the Foundation has funds in the future to keep presenting scholarships to our deserving Job's Daughters.

REPORT ON PAST SCHOLARSHIP WINNERS FROM BETHEL 148 AUBURN

In the past several years, the members of Bethel No. 148 Auburn have been grateful to receive many scholarships from Masonic Bodies, including the California Job's Daughters Foundation. Each of these scholarships has contributed to the girls' successes and accomplishments in college as well as their endeavors following graduation. All of these girls have been very involved in Job's Daughters and have contributed much to Bethel No. 148. All are also Past Honored Queens. We would like to share with you some of their successes as a way of showing how much you have helped us in our lives. Thank you for awarding so much to the deserving members of our Bethel! Four of our members have received foundation scholarships recently, and have made great use of them.

Megan Goudy is attending William Jessup University. She is majoring in Psychology, with a minor in English. Currently, Megan is taking a full course load and maintains a 4.0 grade point average. She hopes to attend graduate school after graduation to become a research psychologist. Because of the close proximity of her school to her Bethel, Megan has remained very involved with Job's Daughters and has decided to run for Miss California Job's Daughters this year.

Kristen Lohse graduated from UC Davis in 2009 with a Bachelor of Science in Psychology. While at Davis, Kristen was a member of the Davis Honors Challenge Program; a member of the Psi Chi honor society; a member and an officer in Prytanian Women's Honor Society; board member in Colleges Against Cancer; and was on the Relay For Life committee of UC Davis, serving as an Event Chair for the 2009 Relay For Life event. In her sophomore year, Kristen began volunteering at the MIND Institute as part of the Fragile X Research Team. This continued through her junior year when she was hired part time as a research assistant. Upon graduation, Kristen was hired full time as an Assistant Clinical Research Coordinator for the Fragile X team. There she helped manage the clinical trials for Fragile X syndrome until September 2010, when she moved to San Francisco. Currently, Kristen works with autistic children providing ABA based therapy in home sessions, as well as supporting them in school and in after school programs. In Fall 2012, she plans on starting graduate school to gain her Ph. D. in Clinical Psychology as she continues her inspiring work with autistic children.

Erica Lowe graduated from California State University, Chico in 2008 with a degree in Exercise Physiology. Following graduation, Erica attended graduate school at University of the Pacific from which she graduated in September 2010, becoming a Doctor of Physical Therapy. Currently, Erica lives in L.A. working as a Pediatric Physical Therapist at Pediatric Therapy Network - a non-profit organization that helps children with special needs. Erica was very involved in Bethel No. 148 until her majority and afterwards joined our Executive Bethel Guardian Council for a time. Now, she visits as often as she can.

Jessica Lowe graduated from California State University, Chico in 2008 with a degree in Nutrition and Food Science with an option in General Dietetics, with a Minor in Chemistry. Following graduation, Jessica attended graduate school at University of California, Los Angeles from which she graduated in June 2010, gaining her Master's in Public Health. Currently, Jessica is keeping herself busy with a fellowship, an internship, and a job. All three take place at University of Southern California, University Center for Excellence in Developmental Disabilities at Children's Hospital Los Angeles. With the Leadership Education in Neurodevelopmental Disabilities (LEND) Fellowship, Jessica gains long-term, graduate level interdisciplinary training and provides interdisciplinary services and care to improve the health of infants, children, and adolescents with disabilities. In her Pediatric Dietetic Internship, Jessica will complete at least 1,200 hours of practical supervised experience through an accredited program before sitting for the registration examination to become a Registered Dietitian. Additionally, Jessica serves as a Project Coordinator for Project Access, which improves access to care for children with epilepsy.

Other girls in our Bethel have made great strides with the help of other Job's Daughters and Masonic scholarships.

Lindsay Mulow is currently attending American River College and working at the mall, while still remaining active in our Bethel and attending events and fundraisers. She was elected by the members to become a Grand Bethel Officer for the 2011-2012 year. Next year, she plans to transfer to the Art Institute of California in Orange County.

Ala Navratil is attending Sierra College and is majoring in Psychology.

Danielle Malosh attended the University of Portland and graduated with a Bachelor of Arts in Sociology and a minor in History. She currently serves in the United States Army as a First Lieutenant and just finished a tour in Iraq. She hopes to pursue a master's degree in the near future.

Cars 4 Causes[®]
"The Charity That Gives to Charities"[®]

The Foundation is participating in a new fund raiser program called **CARS 4 CAUSES**. They are a charity dedicated to helping charities attain additional funds through a Vehicle Donation Program. This is a Partnership program. There is absolutely no obligation or liability to the Foundation. In addition to it benefitting the Foundation, the contributor receives an acknowledgment required for a vehicle contribution deduction. The Foundation is registered as a *Preferred Charity*.

HOW THE PROGRAM WORKS:

Step 1: A donor contacts Cars 4 Causes by phoning 800-766-CARE (800-766-2273) or by accessing their website. The donor has the opportunity to designate a charity they would like to benefit from the proceeds of their donation.

Step 2: C4C picks up the vehicle at no cost to the donor – then get it ready for sale by completing minor repairs, and securing all DMV paperwork. We also have the vehicle smog-checked to be certain it meets state requirements.

Step 3: C4C advertises and sells vehicles to get the highest possible price. When the vehicle is sold C4C sends a check to the designated nonprofit organization.

Step 4: After the vehicle is sold C4C provides donors with a written acknowledgment Required for a vehicle contribution deduction for the selling price of the vehicle. Plus C4C sends an individualized personal thank you letter.

The Foundations will receive 70% of the proceeds. CARS 4 CAUSES also has provided information on the Foundation website www.cajdfoundation.org. Their website information is on the Foundation website under the fund raising button but the address is below. It goes right to the donation page for the Foundation. Check it out.
